

REMARKS

The Examiner of the Official Action rejected to claims 16 and 27 as being in improper form for failing to further limit the independent claims. By this amendment, applicants have cancelled claims 16 and 27. Claims 18 and 29 have been amended to provided appropriate dependency and claim 18 has been further amended to correct the typographical error.

The Examiner in the Official Action indicated that claims 17, 18, 21, 22, 28, 29, 32 and 33 are objected to but would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims.

By this amendment, applicants have amended claims 12 to include the limitation of claim 17 and independent claim 23 has been amended to include the limitation of claim 28.

Accordingly, it is respectfully submitted that the claims in their present form are in condition for allowance and such action is respectfully requested.

Respectfully submitted,

Attorney for Applicant
